BUILDING CANADA'S *sovereign* DEFENCE CAPABILITY

Through Reliable Delivery, Canadian Manufacturing, and Indigenous Ownership

Weldco is a **100% Indigenous** owned Canadian manufacturer that supports Canada's defence and security strategy through reliable, in-country engineering and manufacturing.

CONTROLLED GOODS PROGRAM CGP #31509 · ISO 9001:2015 CWB REGISTERED · NATIONAL STANDARD COR Certified by IHSA.ca Work Safe for Life · CWB cwbfoundation · 245,000 SQ FT CANADIAN MANUFACTURING CAPACITY

A SAFE, DEFENSIBLE MANUFACTURING PARTNER

Build category manufacturing aligned with Canada's Defence Industrial Strategy

Predictable delivery and supply chain
In-country manufacturing reduces geopolitical exposure and delivery uncertainty.

Capacity and scale
245,000+ sq. ft. of Canadian manufacturing space across three provinces, supporting scalable programs.

Compliance-ready operations
Repeatable, auditable production supported by a certified workforce and formal quality, safety, and security systems.

100% Indigenous-Owned
Supports Indigenous procurement and ITB compliance through direct Indigenous participation under the Inuvialuit Final Agreement.

Partner with Weldco for dependable execution.

IN-COUNTRY ENGINEERING & MANUFACTURING CAPABILITY

Control, coverage, and capacity across Canada

Weldco operates three **Canadian manufacturing facilities** in Alberta, British Columbia, and Ontario, providing geographic coverage, capacity redundancy, and proximity to major transportation corridors.

Engineered Steel Systems

- Complete customizable solutions specified for your program
- Guarding, plating, and protective structures
- Heavy equipment attachments & specialty components
- Dual-use solutions that support both military and civilian applications
- Sovereign capability across land, sea, and air

Manufacturing Capabilities & Production Support

- Engineered steel manufacturing and assemblies
- Modern manufacturing technology
- Machining, fabrication, welding, testing, and final assembly
- Fleet-based programs
- Standardized production runs

Skilled Trades Workforce for Long-Term Sustainment

- Fully certified Canadian trades workforce
- Safety-first culture
- Deep steel craftsmanship
- Workforce stability and training
- Repeatable quality standards

Canadian Work Performed in Canada

Procurement dollars support domestic capability, skilled employment, and Indigenous participation.

Partner with Weldco for dependable execution.
